Environmental Impact

- Plastic replaced: **3500 kg of single-use plastic bags** (Each Samsara bag replaces **50-100 single-use plastic bags** over its lifetime)
- Waste diverted from landfill: **4,000 kg**
- Bamboo** materials used
- Handloom** materials used

CO Emissions Avoided

107-139 MT

Application of Circular Business Model Strategy into Business Model

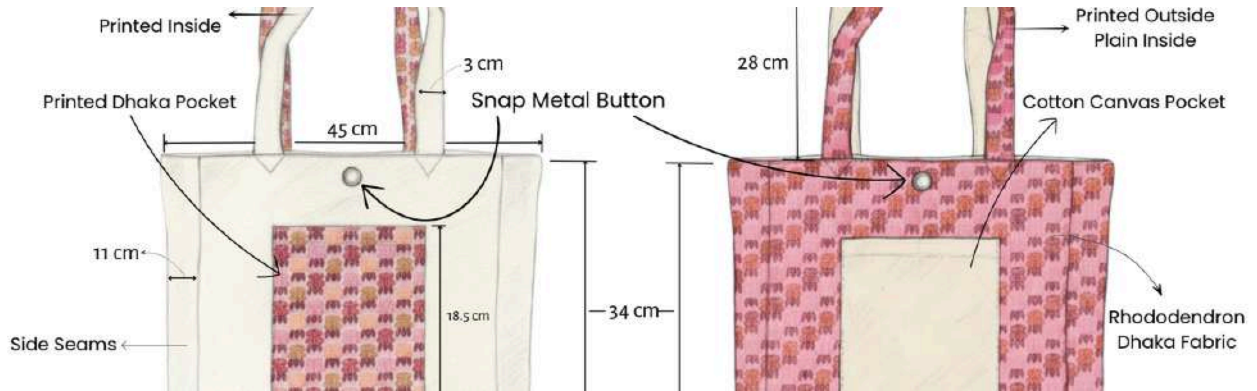

Actual Samples

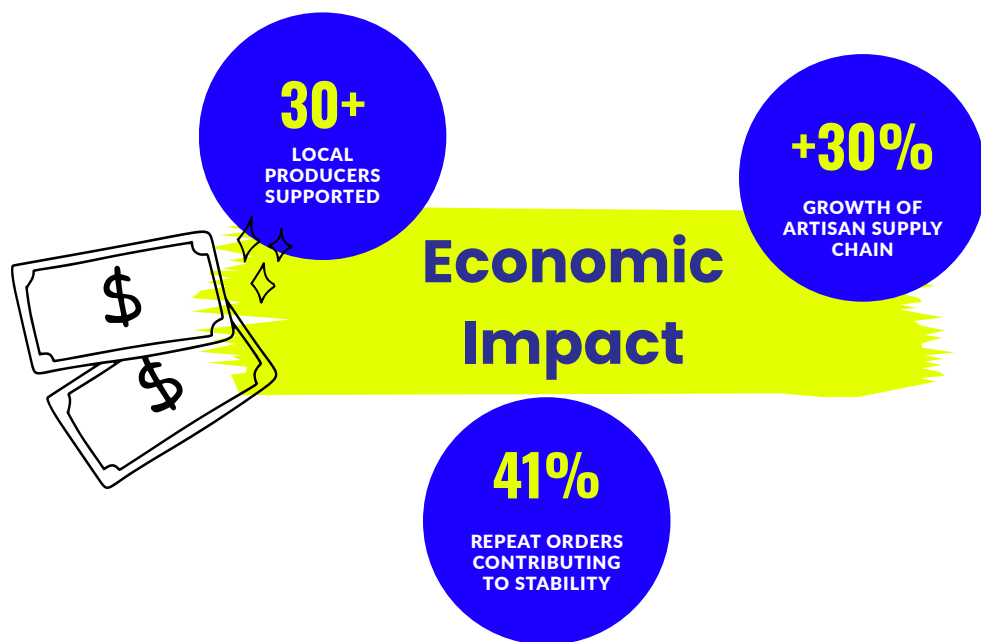

Actual Samples

Design of a Reversible Tote Bag to extend the lifecycle of reusable bags distributed at events

Use of Upcycled Basket in the office made by local women artisans

Material Traceability

Material	Origin	Sustainability Benefit
Cotton Canvas	Nepal / regional suppliers	Durable, reusable material with long lifecycle
Jute	Natural plant fibre	Fully biodegradable and tensile strength
Hemp	Hemp plant fibres	Low water usage, highly durable
Dhaka Fabric	Nepali weaving tradition	Supports local textile heritage and artisans
Lokta Paper	Himalayan Lokta plant	Tree-free handmade paper, acid-free and durable
Bamboo	Natural bamboo sources	Rapidly renewable and fully biodegradable

Export Product Designs and Ethical Sourcing

Category	Key Products	Materials
Textile Merchandise	Tote bags, laptop bags, travel pouches, designer bags	Cotton canvas, jute, hemp, Dhaka
Artisan Bags	Crochet bags, traditional fabric bags	Hemp yarn, cotton yarn
Sustainable Packaging	Cotton pouches, packaging bags	Shyama cotton
Paper Products	Notebooks, spiral notebooks	Nepali Lokta paper
Corporate Merchandise	Conference bags, folders, and diaries	Fabric + Lokta paper

Ethical Principle	Samsara's Practice & Commitment
Fair Labour Practices	Collaboration with small producers and artisans with fair, transparent compensation
Safe Working Conditions	All production partners operate in safe, dignified working environments
No Child Labour	Strictly prohibited across the entire supply chain — zero tolerance policy
Respect for Artisans	Preserving traditional craftsmanship, cultural heritage, and artisan dignity
